Mr. POSEY. Madam Speaker, pursuant to the Republican Leadership standards on earmarks as well as in accordance with Clause 9 of Rule XXI, I am submitting the following information regarding earmarks for my Congressional District as a part of H.R. 3288, Transportation, Housing and Urban Development, and Related Agencies Appropriations Act, 2010.

Requesting Member: Congressman BILL POSEY

Legal Name of Requesting Entity: City of Melbourne, Florida.

Address of Requesting Entity: City of Melbourne, Florida, 900 E. Strawbridge Avenue, Melbourne, Florida 32901.

Description of Request: This funding will be used by the City of Melbourne, FL for construction associated with the northern 1-95 interchange at the Palm Bay Parkway in Melbourne, FL. This project is the top priority for the Brevard Metropolitan Planning Organization and the City of Melbourne.

Consistent with Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to any entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for entities unless the use of the funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable.

Ms. EDDIE BERNICE JOHNSON of Texas. Madam Speaker, I rise today in remembrance of Cheryl Yvonne Wallace Boyd whose passing on Monday, July 13, 2009 at the age of 53 is a loss for the community of Dallas, Texas.

EARMARK DECLARATION

HON. DONALD A. MANZULLO

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 23, 2009

Mr. MANZULLO. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding the two earmarks I secured as part of H.R. 3288, Transportation, Housing and Urban Development, and Related Agencies Appropriations Act, 2010

My first request, totaling \$750,000, will come from the Transportation & Community & System Preservation account of the Federal

Highway Administration to widen Rakow Road in McHenry County, Illinois. This road project will help relieve traffic congestion by adding capacity to Rakow Road between Ackman Road to Illinois Route 31 within the City of Crystal Lake and the Village of Lake-in-the-Hills by adding two or three through lanes in each direction and adequate turn lanes at the intersections. Rakow Road is designated by the Illinois Department of Transportation as a Strategic Regional Arterial (SRA) and is also part of the National Highway System. McHenry County is still one of the fastest growing counties in Illinois and continues to experience severe traffic congestion. Federal funding is continued to be needed in order to help address the regional transportation congestion in the northwest suburbs of Chicago. The McHenry County government has also passed a bond program that raises \$50 million to be dedicated to local road improvements such as the Rakow Road widening project to match state and federal investments. Previously, this project received \$570,000 in Fiscal Year 2009. The entity to receive funding for the Rakow Road widening project is the County of McHenry, Illinois located at 2200 Seminary Avenue in Woodstock, Illinois 60098.

My second request, totaling \$500,000, will come from the Economic Development Initiative account at the Department of Housing and Urban Development Date (HUD) for the City of Rockford, Illinois, for various public infrastructure improvements in the West Side neighborhood. Rockford, Illinois is experiencing one of the highest unemployment rates in the nation, which reached 14.5 percent in May. To address this problem, the local government of the City of Rockford plans to make improvements to public infrastructure (roads, sewer, storm-water, and water) to the west side of the city to support improvements to an area designated for commercial development. There is a great need for federal funding assistance to help develop the infrastructure in this area of the city of Rockford in order to attract and support new commercial and industrial employers. The City is also committing funding to this project as well as attracting significant private investment. This project will not only benefit the west side of the City of Rockford but the entire northern Illinois area by attracting more employers to Rockford. The entity to receive funding for the Rockford West Side Economic Development Initiative is the City of Rockford, Illinois, located at 425 East State Street in Rockford, Illinois 61104.

Madam Speaker, I want to take this opportunity to thank the Chairman of the House Appropriations Committee, Representative DAVID OBEY, and the Ranking Minority Member, Representative JERRY LEWIS, and the Chairman of the Transportation & Housing and Urban Development Appropriations Subcommittee, Representative JOHN OLVER, and the Ranking Minority Member, Representative TOM LATHAM, for working with me in a bipartisan manner to include these two critical requests in this spending bill.
